"The effectual fervent prayer of a righteous man availeth much." (James 5:16b)
"And seek the welfare of the city where I have sent you into exile, and pray to the LORD on its behalf; for in its welfare you will have welfare."
- Jeremiah 29:7

"For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."
-- 2 Timothy 1:7

Dear praying friend --- Some current prayer requests:

(1) Keep praying for Gateway Board member, Chris Larson.

Praise the Lord that his biopsy came back 'cancer free'!

(2) Pray for the Florence Christian Home, in Wayne,

NJ, who are very close to getting a new houseparent. Without this position being filled, they are unable to house any pregnant teens. With a houseparent, they have availability for 16 girls. For years Gateway has sent teens to them.

(3) Counselor, Jean B's, daughter-in-law, Tammie, age 29, has cancer. Please keep her in prayer.

(4) Rosalie Hemmingway, (she and husband Maceo are local missionaries and Gateway supporters) is recovering from a broken foot. Please keep her in prayer.

(5) Sonya Jackson has unspoken requests.

(6) Remember in prayer Joan Vitale, our Associate Director, as she sees dozens of abortion-bound women who come to Gateway seeking the whereabouts of abortionist Steven Brigham. Most leave, some stay, and some have changed their minds on the spot. A few have also been led to Christ, who otherwise would have aborted.

And, of course, praise God for the wonderful Walk-a-thon (Over 100 raised some \$15,000.

Pray for the Fall Banquet with Elisabeth Elliot (See the printable flyer at www.gateway.org).

Tyreisha Comes to Christ! (an Elizabeth story)

Tyreisha, age 24, already had three children (twins, age 6 and another child, age 7) She was headed to Steve Brigham's abortion facility when she received our literature. Her boyfriend was in jail on a drug charge, and she felt abortion was the only way. We showed her the video "The Silent Scream". She agreed to visit Dr. Arrunategui, a pro-life Christian physician who is surely a 'friend of Gateway'. Tyreisha changed her mind! Joan shared the gospel with her, and Tyreisha asked Christ into her life! Praise the Lord!

Christine changes her mind (an Irvington story)

Christine, age 23, is a teacher who believed abortion was a 'choice'. Betty spoke with her in September, 1999. We showed her the video "A Doctor Talks About Abortion" featuring ex-abortionist, now born-again ob/gyn, Dr. Noreen Johnson. Christine felt that she was 'too young to have a child'. She cried upon seeing the video. She said she knew abortion was wrong. When we followed her up by telephone, she told us that she was now carrying to term! Baby Christian, 8lb.1oz. was born May 5, 2000!

Many thanks to Elizabeth volunteer, Deb Ocasio for hosting the recent Garage Sale fund-raiser at her home!
